Match Format

Adult 18 & Over league format consists of 1 line of singles and 2 lines of doubles.

The Los Angeles Area league match format will be the best of 3 sets with a 10-point match tiebreak in lieu of the third set.

Men and women play on separate teams.

The minimum number of players required for a team must register prior to the Initial Roster Deadline in order to be included in the local league schedule. A minimum team is 5 players.

5.0+ level allows two 5.5 players to register per team, but only one 5.5 player may play per match, at line 1 singles or line 1 doubles. A 4.5 player may not play in the singles line, but in order to avoid a default, this will be "waived" if there are no "at level" players available on site.

Teams must have at least 50% of their roster rated at the NTRP level of their team prior to their first match. If a division has only two teams, that minimum is changed to 40%.

If a self-rated (“S”) or computer-rated appealed (“A”) player is dynamically disqualified during the season, any matches played at level will be reversed.

Players must play at least 1 match (default does not count) to qualify to play at Sectionals.

Each player must be eighteen (18) years of age prior to participating in a league match.
