A message from Randie:

Welcome back to tennis in 2020! Our USTA SoCal team has been working with your facilities as they reopen and updating our league plans during this ever-changing year. Leagues can start when the county of San Diego has approved doubles play between non-household members, club directors are allowing interclub/non-member play, and facilities meet the Section's criteria for program readiness. Paid spring registrations can be used:

1) To play in either a Summer or Fall League:
   - Staying with your Spring League team, no need to do anything.
   - Email if you need to transfer to another team/league or put your registration on hold for a league in 2020.
2) To put on hold for a 2021 Winter league or later and credit for use in 2021. Email no later than **8/15**.
3) Request a refund of the $27 league fee, submit a Refund Request form to USTA SoCal. Please let your captain know.

Fall 2020 Leagues

● Sectionals TBD in 2021
