**Re: Restart of Sectional Rankings**

**Dear Parents, Players and Coaches,**

We hope everyone is doing well, is safe and healthy, and ready to play some tennis!

In regards to the restart of rankings for the USTA- Southern California Section, we have implemented the following roll out:

1. There will have been no rankings for 21 weeks once the 1st ranking is published with results on August 5, 2020 (representing the restart Date).
2. We will therefore add those 21 weeks to the normal 52 week rolling calendar representing 73 total weeks of data. This will take us back to March 13, 2019 (representing a 52 week ranking period upto March 11, 2020).
