Match Format

- Special Guidelines are in place due to Covid-19 requirements.
- The league format consists of 1 line of singles and 2 lines of doubles.
- Sectionals will consist of 1 line of singles and 3 lines of doubles, so teams advancing to post season play must have qualified enough players for the 4 line format.
- The league match format will be the best of 3 sets with a 10-point match tiebreak in lieu of the third set.
- The minimum number of players required for a team must register prior to the Initial Roster Deadline in order to be included in the local league schedule. A minimum team is 5 players.
- Men and women play on separate teams.
- Teams must have at least 50% of their roster rated at the NTRP level of their team prior to their first match. If a division has only two teams, that minimum is changed to 40%.
- If a self-rated ("S") or computer-rated appealed ("A") player is dynamically disqualified during the season, any matches played at level will be reversed.
- Players must have played at least 2 matches (one default may count) to be eligible to play at Sectionals. Note: in order to be eligible to play at Nationals, players must have played at least 2 actual matches (defaults do NOT count), although a match played at Sectionals may count toward the 2 actual matches required for eligibility at Nationals.
- Each player shall have reached forty (40) years of age prior to, or during, the calendar year in which such player plays in his/her first local league match.
