Match Format

- Special Guidelines are in place due to Covid-19 requirements
- The match format will be the best of 3 sets with a 10-point match tiebreak in lieu of the third set.
- Each match shall consist of three lines of doubles.
- The minimum number of players required for a team must register prior to the Initial Roster Deadline in order to be included in the local league schedule. A minimum team is 3 men and 3 women, each with an NTRP rating that when paired with a partner may not surpass the team's level.
- In the combo format, the NTRP difference between members of an individual doubles team may not exceed 1.0. (For example, a 3.5 and a 4.5 player would be allowed on an 8.0 team. A 3.0 player would NOT be allowed to play with a 4.5 player on ANY team.)
- All matches played at the self-rated ("S") or Appealed ("A") level in all the Adult Divisions in the USTA League Program will be reversed in all "live" leagues including Mixed Doubles if a player is disqualified.
- Players must have played at least 2 matches (one default may count) to be eligible to play at Sectionals. Note: in order to be eligible to play at Nationals, players must have played at least 2 actual matches (defaults do NOT count), although a match played at Sectionals may count toward the 2 actual matches required for eligibility at Nationals.
- Each player shall have reached eighteen (18) years of age prior to, or during, the calendar year in which such player plays in his/her first local league match.
