Match Format

The Los Angeles Area league match format will be best of 3 sets with a 10 point match tiebreak in lieu of the third set.

Each match shall consist of three lines of doubles.

Men and women play on separate teams.

The minimum number of players required for a team must register prior to the Initial Roster Deadline in order to be included in the local league schedule. A minimum team is 6 players.

In the combo format, the NTRP difference between members of an individual doubles pair may not exceed 1.0. (For example, a 3.5 and a 4.5 player would be allowed as a pairing on an 8.0 team. A 3.0 player would NOT be allowed to pair with ANY player on an 8.0 team.)

Teams must have at least 50% of their roster rated at the NTRP level of their team prior to their first match. If a flight has only two teams, that minimum is changed to 40%.

If a self-rated ("S") or computer-rated appealed ("A") player is dynamically disqualified, any matches played at that level will be reversed in all "live" leagues, including Mixed Doubles.

Players must play at least 2 matches to qualify to play at Sectionals. One default will count for a computer ("C") rated player. Self-rated ("S") or computer-rated appealed ("A") must play at least 2 actual matches (a default will not count). **Note:** In order to play at Nationals, a self-rated ("S") or computer-rated appealed ("A") players must play at least 4 matches (defaults will not count) while computer ("C") rated player must play at least 3 matches (1 default will count).

Each player shall have reached fifty-five (55) years of age prior to, or during, the calendar year in which such player plays in his/her first local league match.
