Match Format

The Los Angeles Area league match format will be the best of 3 sets with a 10-point match tiebreak in lieu of the third set.

Each match shall consist of three lines of doubles. **Note:** 5.0+ format is 1 line of singles and 2 lines of doubles.

Men and women play on separate teams.

The minimum number of players required for a team must register prior to the Initial Roster Deadline in order to be included in the local league schedule. A minimum team is 6 players (5 players for 5.0+ level).

Teams must always have at least 50% of their roster rated at the NTRP level of their team. If a division has only two teams, that minimum is changed to 40%.

A Weekday league for women will be offered. If there are at least 4 teams at any weekday flight level, the winner of that flight will be eligible to advance to Sectionals. If there are less than 4 teams at a level, it will be a local league only.

If a self-rated (“S”) or computer-rated appealed (“A”) player is dynamically disqualified, any matches played at that level will be reversed in all “live” leagues.

Players must play at least 2 matches to qualify to play at Sectionals. One default will count for a computer (“C”) rated player. Self-rated (“S”) or computer-rated appealed (“A”) must play at least 2 actual matches (a default will not count).

Each player must be eighteen (18) years of age prior to participating in a league match.

All players must follow specific Covid-19 protocols required at each facility. Captains must communicate any special requirements to his/her team members.
